Prayer meeting, Wednesday night, 7:30 o'clock.  
A cordial welcome to all.

**ST. ANDREW'S EPISCOPAL**  
1432 Engracia street. Torrance. Rev. F. Murray Clayton, vicar; 1428 El Prado.  
Sunday services:  
Holy communion, 7:30 a. m.  
Church school, 9:30 a. m.  
Morning service and sermon, 11 o'clock.  
Young people's fellowship, 7:30 p. m.

**MEN'S BIBLE CLASS**  
A Bible class for the men of the community by the men of the community. Sessions held

## ASSISTING BAPTIST REVIVAL

The First Baptist church of this city is having revival meetings each night except Saturday this week, and next with Rev. Charles H. Rickman, of Wilmington, assisting Rev. C. M. Northrup, the pastor, in the preaching and singing. Evangelist Rickman has crossed the continent some 17 times and recently completed a two-year trip around the world. While he does not lecture, he does use as illustrations for his sermons bits of his travel experience.

As a preacher he is said to be most interesting and helpful. An accomplished singer, Rev. Rickman leads the children's chorus and choir and also gives entire sermons in song. Tonight he will speak on "Is God a Hard-Hearted Thief?" Friday night the sermon subject will be "God's Policeman." Monday night the entire Sunday school is requested to attend and sit with their teachers by classes. The evangelist will speak on "Have You Had Your Feet Washed Today?"

REV. CHARLES H. RICKMAN  
Traveling Evangelist

each Sunday morning at 9:15 o'clock at the First Christian church. Harry F. Dierker, president, and Rev. G. G. Elder, teacher. All men are welcome.

## L. A. Pastor Fills Pulpit Here Sunday

Rev. Willard F. Learned, pastor of the Cypress avenue Christian church, Los Angeles, will supply the pulpit of the Torrance Christian church next Sunday, Nov. 15, in the absence of the regular pastor, Rev. George Elder. Rev. Learned will speak at both services, 10:50 a. m. and 7:30 p. m. Members and friends of the church are cordially invited to bear him.

**ASSEMBLY OF GOD**  
1639 West Carson. W. H. Copeland, pastor.  
Sunday school, 9:45 a. m.  
Morning service, 11 o'clock.  
Evening service, 7:30 o'clock.  
Thursday, 7:30 p. m.  
All welcome.

**CENTRAL EVANGELICAL**  
Arlington and Marcelina avenues. E. W. Matz, pastor.  
Sunday school, 9:45 a. m. W. E. Bowen, superintendent. Classes for all ages, in charge of a splendid group of teachers.

Morning service, 11 o'clock. Anthem by the choir. Sermon, "Spiritual Beauty."  
Evening service, 7:30 o'clock. Special music. Sermon, "Christ in Everyday Life."  
Christian Endeavor, 6:30 p. m. Midweek service and Bible study, Wednesday, 7:30 p. m. Meeting of Ladies' Guild, Wednesday, 2 p. m., in Guild hall. Mrs. Guyon and Mrs. Watson, hostesses.  
A cordial invitation is extended to all the activities of the church to the public.

**FIRST CHRISTIAN**  
Engracia at Arlington avenues. Phone 181-M. George Elder, pastor.  
9:30 a. m., the church school meeting in several assemblies with classes for every age. Scott R. Ludlow, superintendent.  
Morning service, 10:50 o'clock. Sermon and communion. Rev. Willard Learned, of Los Angeles, will speak.

Evening service, 7:30 o'clock. The evangelistic service. Special musical prelude. Sermon by Rev. Learned, pastor of the Cypress Park Christian church, Los Angeles.  
6:30 o'clock Sunday evening. Young people's Christian Endeavor meeting in several groups.  
The Wednesday evening hour, 7:15 to 8:15 o'clock, is devoted to a discussion of John's Gospel led by the pastor.  
Choir rehearsal on Wednesday evening at 8:15 o'clock.  
Thursday evening, this week, beginning of the National Preaching Mission in Los Angeles. The Mission will serve all Southern California.

**FIRST CHURCH OF CHRIST SCIENTIST, TORRANCE**  
Former Dominguez Bldg., 1204 El Prado.  
Sunday services, 11 a. m.  
Sunday school classes, 9:30 a. m.  
Wednesday evening meetings are held at 8 o'clock.  
Reading room, 1204 El Prado.

**CHURCHES OF CHRIST, SCIENTIST**  
"If ye live after the flesh, ye shall die: but if ye through the Spirit do mortify the deeds of the body, ye shall live. The Spirit itself beareth witness with our spirit, that we are the children of God." These words of Paul to the Romans constitute the Golden Text in the Lesson-Sermon on "Mortals and Immortals" on Sunday in all branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts.  
The Lesson-Sermon includes Paul's words to the Corinthians: "Charity never faileth; but whether there be prophecies, they shall fail; whether there be tongues, they shall cease; whether there be knowledge, it shall vanish away. For we know in part, and we prophesy in part. But when that which is perfect is come, then that which is in part shall be done away. When I was a child, I spake as a child, I understood as a child, I thought as a child; but when I became a man, I put away childish things."  
Among the passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, is the statement: "Men and women of riper years and larger insights ought to ripen into health and immortality, instead of lapsing into darkness or gloom."

## U. C. Dean Has Charter Draft

Continued from Page 1  
tion of charter form of government.

"Whatever kind of a charter we presented, it could not have affected the city's status as a member of the Los Angeles city school system until July 1, 1937," he said. "This is because the state school law expressly points out that there can be no change in a school system during the middle of a term. Thus we had nothing to gain by rushing thru a charter draft, inasmuch as the document creates a Torrance school district."

"Another reason for the time element is that the charter must be approved by the legislature and this cannot be done until the 1937 term begins in January. We also desired to gain opinions from Louis Burke, counsel for the League of California Municipalities, and C. J. Rambo, auditor, who has had much experience in working with chartered cities.

"Regarding the document itself, I believed that we should keep it free from everything but the most basic requirements of municipal operation, that it should be as compact as the Constitution of our nation, that it should be concerned with fundamentals. To that end we have studied the charters of all other cities in the state, observed their problems and differences and have attempted to eliminate the excess phraseology from our draft."

**Time For Study**  
"May I point out that the wild surmises one hears about the proposed charter have no basis because, so far as I know, the freeholders have given out no information regarding the draft and will not until they are convinced that their work is complete and ready to stand the test of public opinion. There is much to be done before this is possible. When we learn Dr. Campbell's reaction to our draft then we can proceed to put it in final order."

"We desired to present to the people of Torrance a proposed charter that can be understood, that will not infringe on the rights of any resident but will afford a better form of municipal government in all departments," Bell said.

"Residents of Torrance may be assured that when we believe our work is done that they

## New Ford V-8 Goes On Display In Torrance This Saturday

The new Ford V-8 for 1937 will be on display this Saturday, Nov. 14, at the showrooms of Schultz & Peckham, 1514 Cabrillo avenue, Torrance, local Ford dealers for the past 16 years.

The new cars present a number of outstanding features, according to Mr. Peckham who describes the new Ford as follows:

Two engine sizes, a brand new 60-horsepower V-8 which makes its first bow in the American motor car market, and the famous 35-horsepower V-8, with a number of important refinements. Either is available in the single chassis.

New cable-and-conduit control "soft easy action" brakes, with the "safety" of steel from pedal to wheel.

**Two Motor Sizes**  
From a mechanical standpoint the most important development in the new Ford is the 60-horsepower V-8 engine. Although new to America, it has been built in England and France for more than a year for Ford cars designed for the European market. The new engine is approximately two-thirds the size of the larger unit. Its bore is 2.6 inches, stroke 3.2 inches and piston placement 1.35 cubic inches, against 221 cubic inches for the larger engine, providing top speed of about 70 miles an hour and comfortable cruising speed of 55 to 60 miles an hour.

**New Body Lines**  
A de luxe five passenger club coupe is the newest of the 11 body types available, five either with or without de luxe equipment and with either engine size, six with de luxe equipment and the 35-horsepower V-8 engine only. All closed body types have clear vision ventilation system.

All-steel body, including new all-steel top, as well as steel structure, steel panels and all-steel floor.

Improved "finger-tip" steering, with increased wheel leverage.

The new car, according to those who have previewed it is the most beautiful Ford ever built. Its sleek lines flow without a break from the smart radiator grille, through the new shield-type hood, the new slanting V-type windshield and the smoothly moulded steel top to the graceful reverse curve of the rear quarter.

**"Tear Drop" Motif**  
Virtually every visible component of the car reflects the "tear drop" form—the headlamps moulded into the fender aprons, the highly crowned fenders, the chromium strips which border the hood louvers, the sweeping belt line, the arching curve of the top and the finely formed rear body.

**Luxurious Interior**  
The interior reveals the same meticulous attention to details. The treatment is modern. Uphol-

stery is pillowed, with wide pleats. Seats are wide, deep and soft-cushioned. The instrument panel is grained, with the dials and engine controls in front of the driver. Glove compartment is at the right side, with an ash tray in the middle and the windshield control at the top. Starter button is on the dash, the hand brake at the left under the panel out of the way of front seat passengers.

**Building Total**  
New building that amounted to \$17,890 was reported for the month of October in Gardena. This sum included permits for a new print shop at the high school there and six homes.
